

Tradeshaw Rail Technology Conferences

Interested in in obtaining maximum exposure to your target group?

The trade show during the three-day conferences offers you the opportunity to:

- enhance your brand and product visibility
- promote your products or services
- present your innovations
- generate new business leads

Expose your company, display (new) products, innovations or practical solutions at a “table top”. These table tops will be situated in the area where all coffee and lunch breaks will take place. This offers conference participants excellent opportunities to stop by your table top during all breaks.

A table top presentation covers a 6 m2 floor space and consists of:

- one table
- two chairs
- power connection/consumption

You may decorate the area with your own banners, displays, brochures and information about your company or products.

To maximise your expose and benefits you can book a combination of the three conferences.

One day € 1 995 (excl. VAT)

Two days € 3 495 (excl. VAT)

Three days € 3 990 (excl. VAT)

Please note, limited table top spaces are available!
