

Intelligent Rail Summit
22 | 23 | 24 November, Naples | Italy

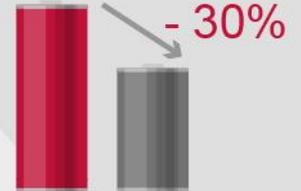

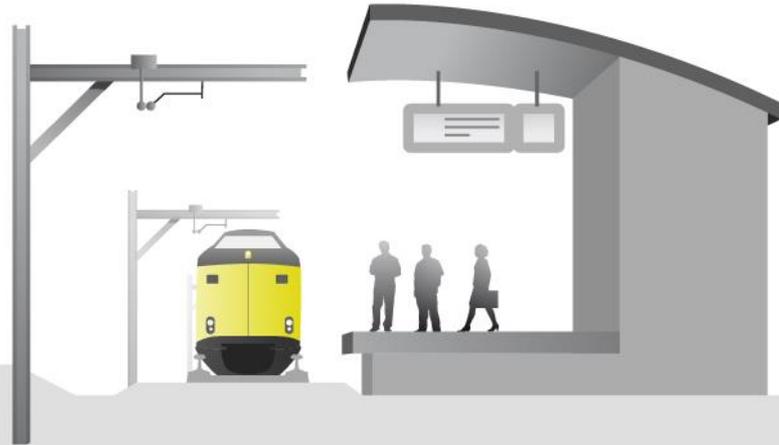

High-quality asset data at your fingertips

Raymond Soeters
Program manager RailData | ProRail

raymond.soeters@prorail.nl

Our Ambition

Safe rail

Zero avoidable accidents

Reliable rail

Zero avoidable disruptions - 30%

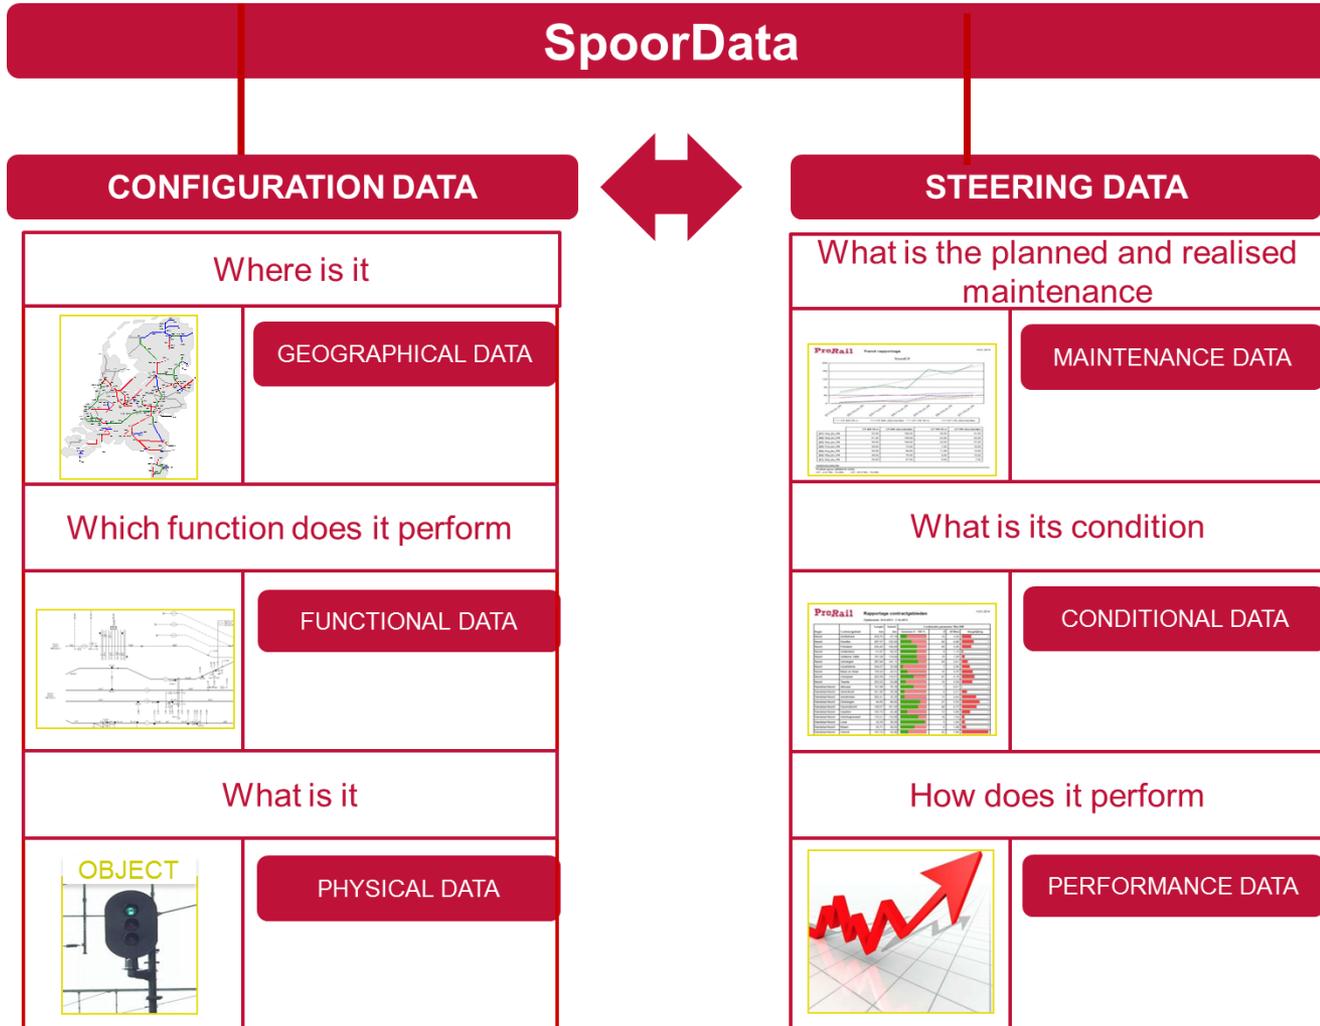

Punctual rail

Further increase in punctuality

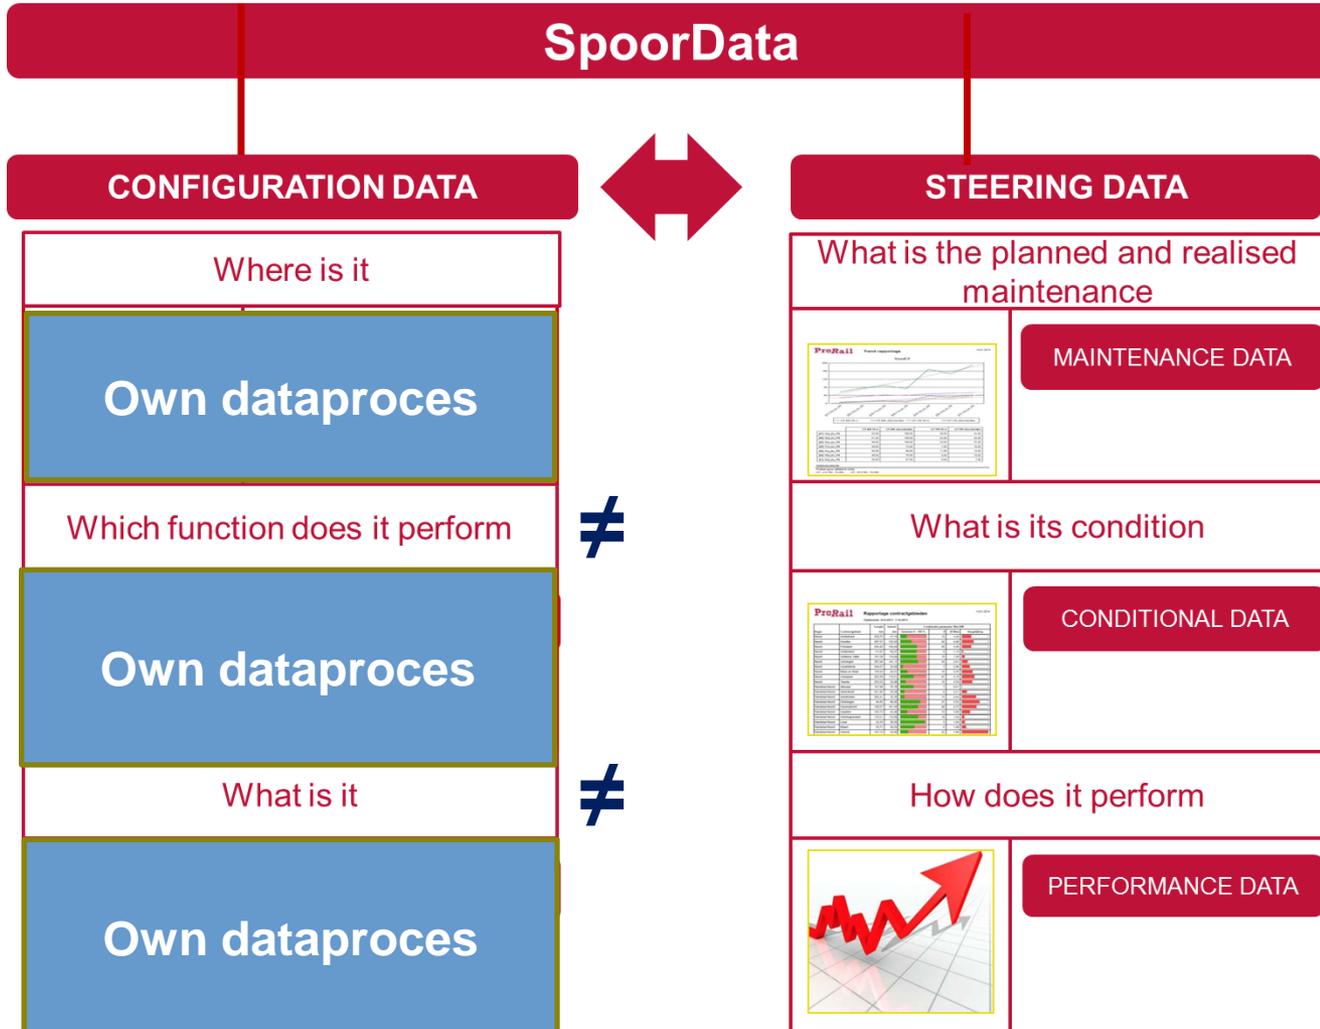

Sustainable rail

- Less energy consumption
- Highest rung on the CO₂ performance ladder

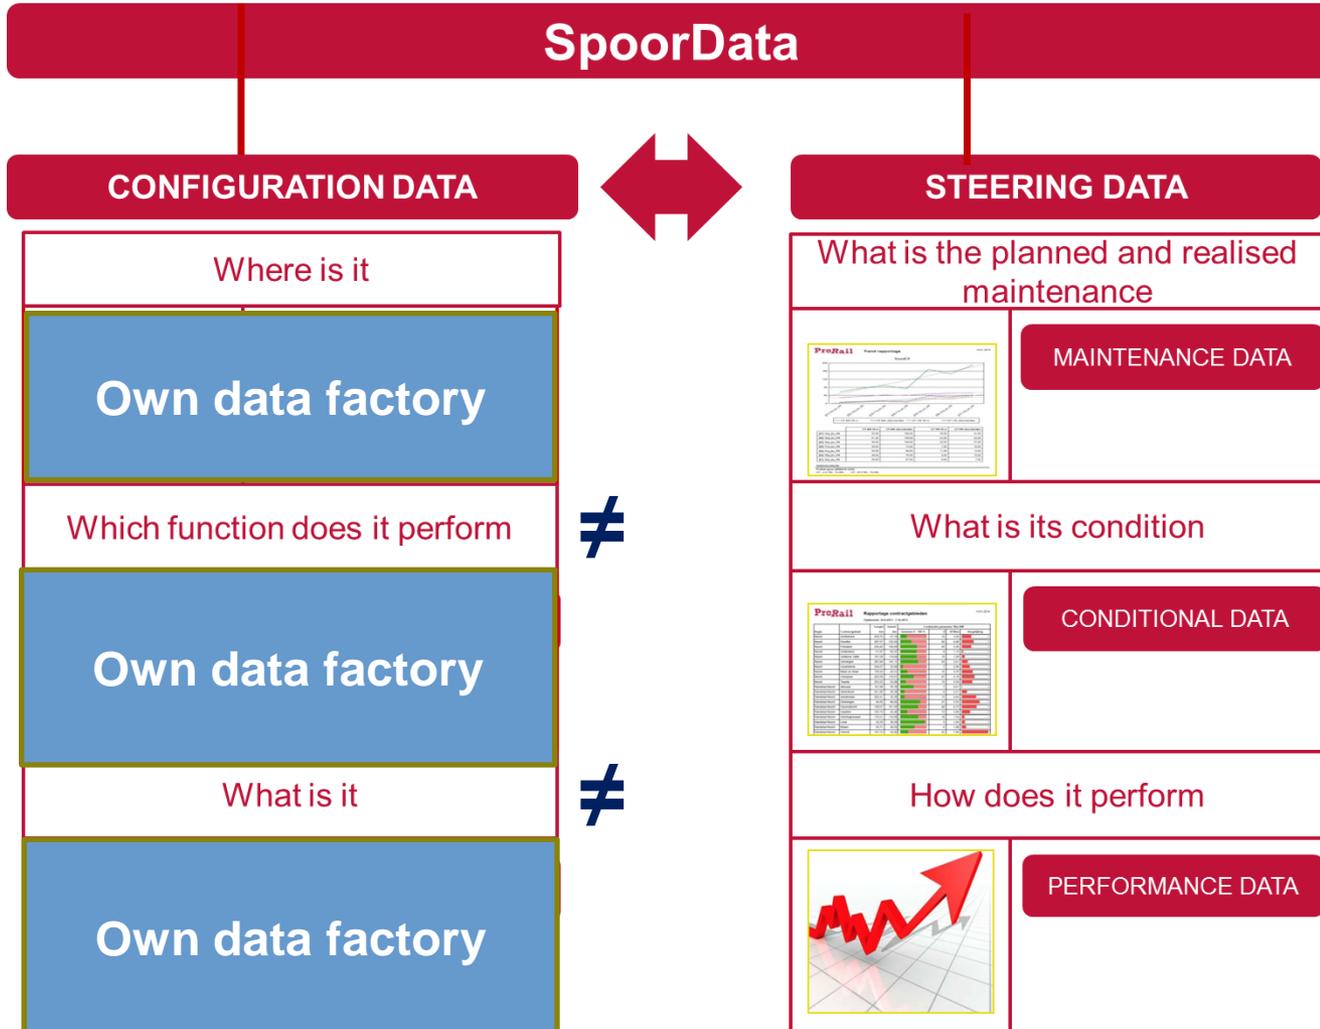

Reliable RailData, the key for realising our ambitions

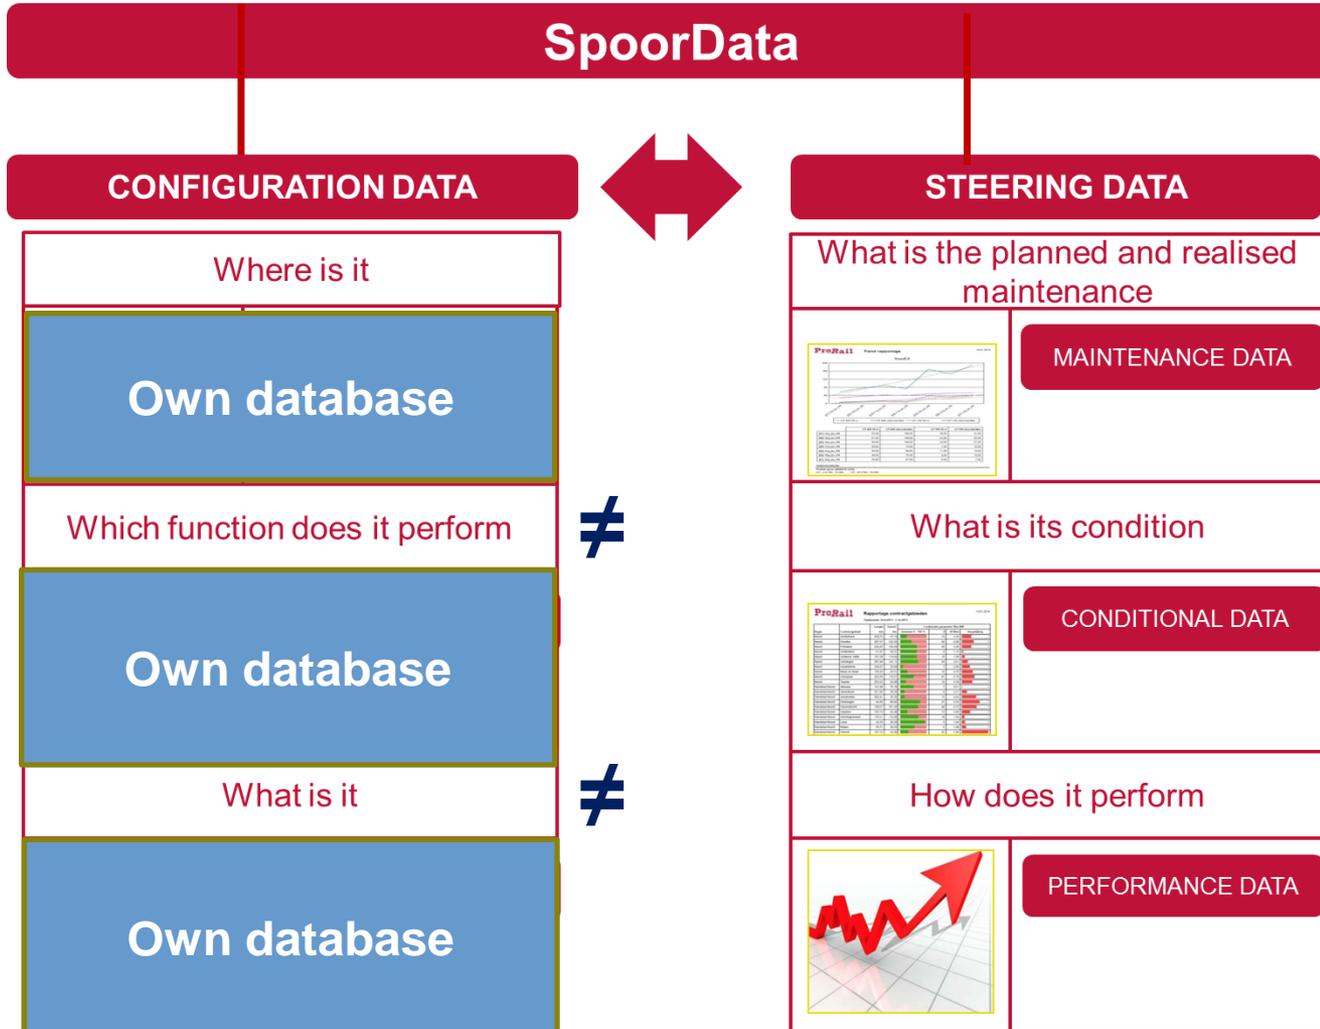

The problems we face

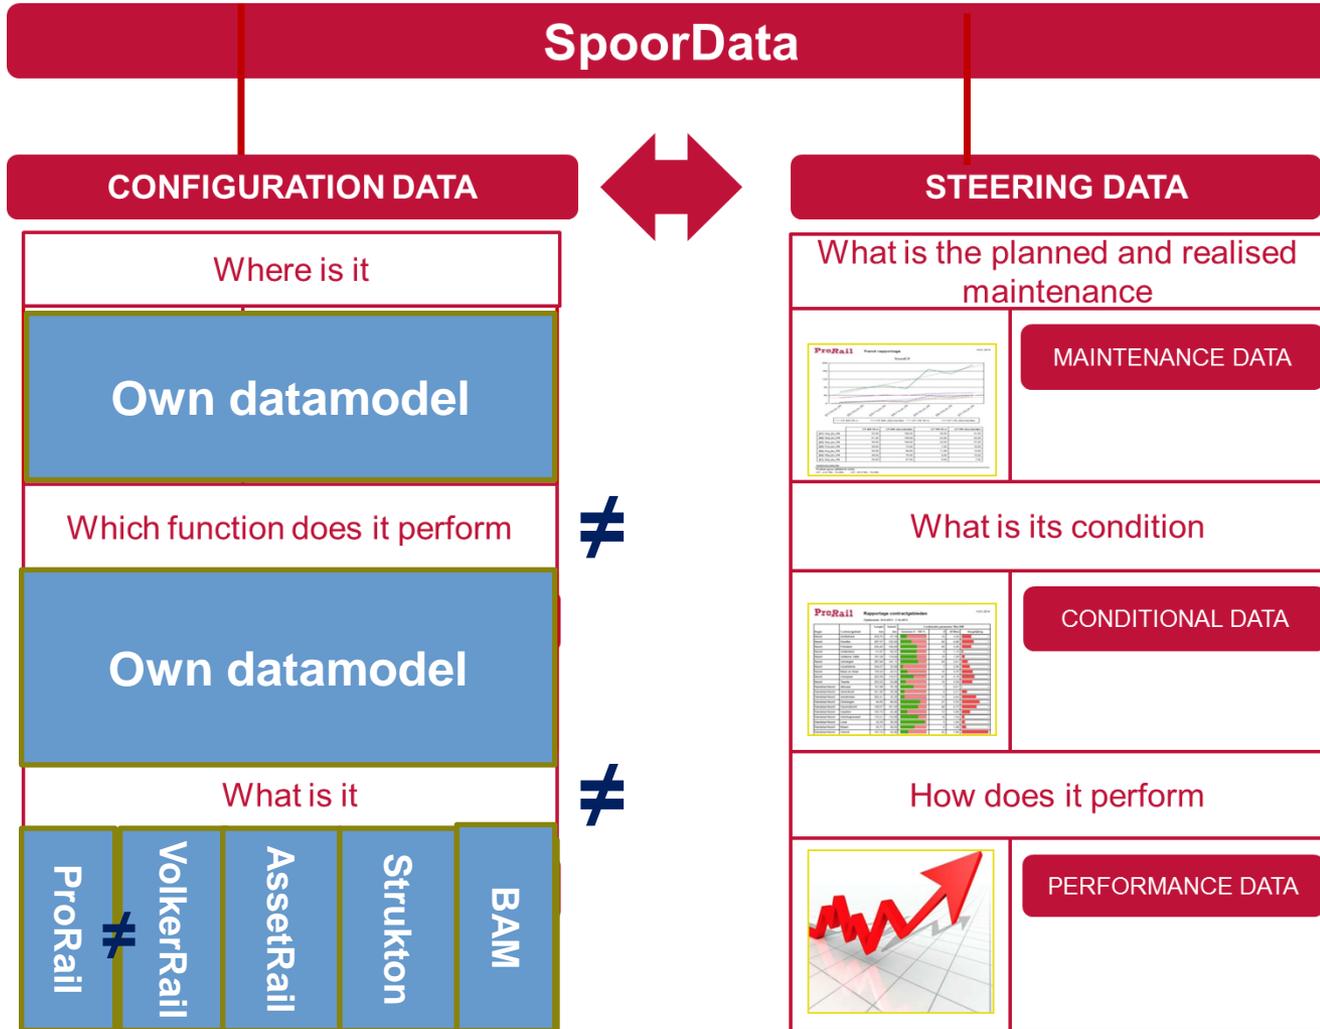

The problems we face
